Young Life is an international Christian organization devoted to ministering to high school students by meeting them where they are in their lives. Sewanee students go through Quest, a Bible study and leader-training process before becoming leaders. Sewanee Young Life leaders get to know Franklin County High School and Tullahoma High School students at weekly club meetings, high school sporting events, and Young Life camps.

The Bairnick Women's Center has served as the primary women's advocacy group at the University of the South for over twenty years. We promote women's interests through social and educational programs, facility space, leadership opportunities, and an annual conference of Women. Highlights from this past year have been our Take Back the Night March, a performance of the Vagina Monologues, discussions with first year women about understanding our sexual comfort levels, and bi-weekly Pinnacle Luncheons on topics ranging from women in Hollywood films, women in Shakespeare, modern Muslim women, and hair as a form of personal expression.

**Sea-Fever**

**By John Masefield (1878-1967)**

*I must down to the seas again, to the lonely sea and the sky,  
And all I ask is a tall ship and a star to steer her by,  
And the wheel's kick and the wind's song and the white sail's shaking,  
And a grey mist on the sea's face, and a grey dawn breaking.*

*I must down to the seas again, for the call of the running tide  
Is a wild call and a clear call that may not be denied;  
And all I ask is a windy day with the white clouds flying,  
And the flung spray and the blown spume, and the sea-gulls crying.*

*I must down to the seas again, to the vagrant gypsy life,  
To the gull's way and the whale's way where the wind's like a whetted knife;  
And all I ask is a merry yarn from a laughing fellow-rover  
And quiet sleep and a sweet dream when the long trick's over.*

**All our love, Mom, Dad & Sarah**

*Then and now, you are our pride  
and our joy! We are very proud  
of you and your wonderful  
achievement.

Dear Noodle,

Ever since you were born on a blue moon back in August 1985, we have been blessed to call you ours. Now you are yours. The world awaits impatiently, dear child, for your imagination.

### Ode to Michael Ortale

There once was a student named Michael,  
Who came up to the mountain for a four-year cycle.

To the SAEs he did belong; and then the Wellingtons came along,  
Not to mention Deb balls, Bangladesh and beer pong.

For sure, all of this bliss he will certainly miss,  
But the next step will be even better than this!

Love,

Mom, Dad and Will

*Candice,*

*We are so proud of all that you have accomplished. From the time you were just a baby, we knew you would grow up to be an extraordinary person with unlimited capabilities.*

*We have watched as you have grown into adulthood, each stage giving us a sense of joy that words can not express.*

*As you continue to reach for your dreams and face each of life's challenges along the way, remember that we can do all things through Christ who strengthens us as long as we keep Him in the center of our lives.*

*May God bless you and keep you in His care.*

*Love always,*
